MEET THE TEAM

Lawrence McLean

**CEO/FOUNDER OF AAT
TRIP HOST**

Lawrence McLean developed the concept of AAT in 2012, as a result of the constant let down of friends backing out of travel plans, or simply not sharing his interest in traveling any further than the Caribbean. He started the group, African American Travelers of Philadelphia, followed by another chapter in New York, on meetup.com. Since, he has led thousands from around the country, on the most epic, unforgettable, international tours. AAT's groups have perused six continents, including its, signature, annual NYE in Dubai experience, and taking travelers "Home for the Holidays" to the beautiful motherland, Africa, year after year. According to "Madame Noir" Lawrence has been recognized as one of the three US entrepreneurs who is changing the perception of travel to Africa!

Andrea McLean

**SOCIAL MEDIA ENGAGER
HOST ASSISTANT**

Andrea McLean is known for traveling with style. She has worked in customer service and sales for many years, mastering 60-second pitches since the spunky age of 6! She is focused on customer satisfaction, engagement, and bringing a smile to our travelers faces. Some believe that she may have been a comedian in her past life. Whenever she is around, there is always laughter.

William McLean

**SOCIAL MEDIA ENGAGER
HOST ASSISTANT**

William Mclean is our newest addition to the team. William is currently in college majoring in business acquiring relevant skills that will not only enhance your traveling experience with African American Travelers but ensure that your experience is our top priority. William loves building connections and meeting new people, as our entire team is incredibly eager to present our customers with the opportunity to develop lifelong friendships and memories as that will last forever.

"Great things in business are never done by one person. They're done by a team of people."

– Steve Jobs
