A GUIDE TO
HELP YOU KNOW
ABOUT OUR
TEAM MEMBERS

Lawrence McLean developed the concept of AAT in 2012, as a result of the constant let down of friends backing out of travel plans, or simply not sharing his interest in traveling any further than the Caribbean. He started the group, African American Travelers of Philadelphia, followed by another chapter in New York, on meetup.com. Since then, he has led thousands from around the country, on the most epic, unforgettable, international tours. AAT's groups have perused six continents, including its, signature, annual NYE in Dubai experience, and taking travelers "Home for the Holidays" to Africa to Ghana, year after year. According to "Madame Noir" Lawrence has been recognized as one of the three US entrepreneurs who is changing the perception of travel to Africa.

Andrea McLean

Host Assistant

Andrea McLean is known for traveling with style. She has worked in customer service and sales for many years, mastering 60-second pitches since the spunky age of 6! She is focused on customer satisfaction, engagement, and bringing a smile to our travelers' faces. Some believe that she may have been a comedian in her past life. Whenever she is around, there is always laughter.

William McLean

Host Assistant

William Mclean is our newest addition to the team. William is currently in college majoring in business acquiring relevant skills that will not only enhance your traveling experience with African American Travelers but ensure that your experience is our top priority. William loves building connections and meeting new people, as our entire team is incredibly eager to present our customers with the opportunity to develop lifelong friendships and memories as that will last forever.

IN DEPTH

KANTO LAMPO WATERFALL

Kanto Lampo Waterfall referred to by locals as Air Terjun Kanto Lampo. This is a hidden gem in Bali where you can soak in the pristine water, and take pictures on the insta-famous rock. Hidden deep in the jungles of Gianyar region, Kanto Lampo Waterfall can be a great sight for exploration. This scenic, seasonal waterfall with its water cascading down a stepped rock formation is a stunning view to behold. Located in the village of Beng Gianyar, this waterfall is also very easy to get to. Unlike other waterfalls, you don't have to go through miles and miles of hiking and trekking.

Within 15 minutes, you will reach the spot of the waterfall. The slightly under-the-radar location of Kanto Lampo adds to its uniqueness. The source of water, unlike other waterfalls in the Bali region, is a dam, and this waterfall is absolutely new. But this formation of a new waterfall turned out to be a boon for the local villagers. As many tourists keep coming to visit this waterfall, the income of the villagers increases somewhat. If you are a photography enthusiast, you can climb up the rocks on the top of the waterfall and get some nice, Instagram-worthy pictures.

TIRTA EMPUL TEMPLE

Tirta Empul temple is a Hindu Balinese water temple located near the town of Tampaksiring, Bali, Indonesia. The temple compound consists of a petirtaan or bathing structure, famous for its holy spring water, where Balinese Hindus go to for ritual purification.

MONKEY FOREST

Mandala Suci Wenara Wana, or well known as Monkey Forest, is the sanctuary and natural habitat of the Balinese longtailed Monkey, scientific name *Macaca fascicularis*. It is located at Padangtegal Ubud, Bali. About 749 monkeys live in this sanctuary.

PURA TANAH LOT

Pura Tanah Lot is a hugely popular tourist destination. It does have cultural significance to the Balinese, but this can be hard to discern amid the crowds, clamour, and chaos especially for the overhyped sunsets. It's the most visited and photographed temple in Bali; however, it has all the authenticity of a stage set—even the tower of rock that the temple sits upon is an artful reconstruction (the entire structure was crumbling), and more than one-third of the rock is artificial.

FLOWER BATH & MASSAGE

Bali is not complete without plunging yourself into an exotic bath of flowers or fresh citrus. Here in Kaveri Spa, we offer our signature baths for our guests' convenience. Celebration of Flowers is well known for its unique decorated flower bath

NUSA PENIDA CATMARAN TOUR

Nusa Penida is an island off the coast of Bali known for its rainforested hills and crystal-clear water. This full-day tour takes visitors to the island's top attractions, combining intrepid treks with relaxing beachside activities, all from the vantage point of our private catamaran with a DJ, food, and liquor, stopping to snorkel along the way.

COOKING CLASS

Learn the complexities of Balinese cuisine in a cooking class taught by an expert chef. You'll prepare several meals using a variety of spices blended with the freshest vegetables, meat, and fish.

BUGGY(ATV) TOUR

Discover the real Bali on an all-terrain vehicle (ATV) or buggy adventure, riding either a Kawasaki ATV or a low-noise, high-power CFMoto Zforce 4WD buggy. After learning the ropes from a video and your professional guide, practice driving on a training circuit, then head off-road past rice fields, plantations, jungle, and a traditional Balinese village.

TIRTA GANGGA WATER PALACE

Tirta Gangga Water Palace, also known locally as Taman Tirta Gangga, is a former water palace of the Karangasem empire, which is one of East Bali's most famous sights. Situated about 6 kilometers north of the town of Amlapura, which features 1.2 ha of pools, ponds, and fountains surrounded by tropical gardens. Breathtaking scenery with lush rice paddies, three levels of ornamental gardens with swimming pools, fountains, stone carvings, stepping stones, fish ponds, and airy pavilions.

The Tirta Gangga literally means "water from the Ganges" (India's holy Ganges River), and it is a site of some reverence for the Hindu Balinese. Strictly, the name refers to the water palace built here from the late 1940s to the 1950s by Gusti Gede Djelantik, heir to the former Kingdom of Karangasem. The centerpiece of the palace is an eleven-tiered fountain, and there are many beautiful carvings and statues adorning the gardens.

PURA PENATARAN

Pura Penataran Agung Lempuyang is a Balinese Hindu temple, or pura, located on the slope of Mount Lempuyang in Karangasem, Bali. Pura Penataran Agung Lempuyang is considered as part of a complex of pura surrounding Mount Lempuyang, one of the highly regarded temples of Bali.

TUKAD CEPUNG CAVE WATERFALL

The stunning Tukad Cepung cave waterfall is one of the best waterfalls in Bali, Indonesia. On sunny days light rays stream into the cave, illuminating the waterfall in an almost magical fashion. Although Tukad Cepung is a relatively well hidden waterfall, in recent years it has become something of an Instagram hotspot thanks to its unique location. It's a truly beautiful spot that is a worthy inclusion on any Bali itinerary.

TEGALALANG RICE FIELDS

Tegalalang rice fields is a series of rice paddies located close to Ubud, in the center of Bali, famous for its terraced layout. This is a traditional Balinese irrigation system known as "subak." Positioned in a valley, the Tegalalang rice terraces offer extremely scenic lookouts over the rice fields and surrounding green landscape. It's a very popular tourist hotspot in Bali and a must-see in many Bali itineraries.

ELEPHANT BATHING

Enjoy an amazing experience with the Elephants in their bathing pool at Mason Elephant Park & Lodge as they take you to their morning bath. This unique interactive experience offers a rare opportunity to ride on elephants while they romp and play and splash and dunk in their bathing pool, which is one of their day's favorite rituals. Bali Bathing Elephant – In a spectacular and personal environment, caress, wash, feed, and interact with elephants.

GARDEN BY THE BAY

Gardens by the Bay is a nature park spanning 101 hectares of reclaimed land in the Central Region of Singapore, adjacent to the Marina Reservoir. The park consists of three waterfront gardens: Bay South Garden, Bay East Garden and Bay Central Garden

Conceptualized in 2005 as a key component of the government's "City in a Garden" vision, which evolved from Singapore's reputation as a Garden City

Home to more than 250,000 plants, as well as pavilions, waterways, and the spectacular Super Trees, Gardens by the Bay is one of Singapore's most beautiful outdoor attractions, where you can stroll leisurely through various landscapes that represent diverse ecosystems. See one of the world's tallest indoor waterfalls in the Cloud Forest conservatory, and admire views of Marina Bay from the Flower Dome conservatory.

SINGAPORE DAY TOUR

You may not know that Little India once had a racecourse, cattle herders, and brick kilns. But while these places and people are gone, time stands still in pockets of this historic district. Olden-day trades sit next to newer businesses: flower-garland vendors, modern eateries, and boutique hotels, as well as arts groups.

Chinatown's maze of narrow roads includes Chinatown Food Street, with its restaurants serving traditional fare like Hainanese chicken rice, noodles, and satay. Souvenir shops and indie boutiques dot the area, offering clothes, crafts, and antiques, while Club Street is full of trendy wine bars.

Merlion Park is a famous Singapore landmark and a major tourist attraction, located near One Fullerton, Singapore, near the Central Business District. The Merlion is a mythical creature with a lion's head and the body of a fish that is widely used as a mascot and national personification of Singapore.

MALACCA TOUR

Malacca, in southwestern Malaysia. At its center, Jonker Street, Chinatown's main thoroughfare, is known for antique shops and its night market. Nearby, the 17th-century Chinese Cheng Hoon Teng temple has ornate decorations and multiple prayer halls. A green, 3-tiered rooftop, the 18th-century, Javanese-influenced Kampung Kling Mosque.

This privately guided, day tour will take you to the most famous spots in Malacca. All of your favorite pictures you see on your friend's newsfeed will now become your reality. From beginning to end, you will be able to have a fun, stress-free day, as this tour is all-inclusive to ensure you will have an unforgettable experience.

MARINI 57

Sophisticated rooftop whiskey bar, Italian restaurant & cigar lounge offering panoramic city views.

KUALA LUMPUR TOUR

Kuala Lumpur is the cultural, financial, and economic center of Malaysia. It is also home to the Parliament of Malaysia and the official residence of the Malaysian King, the Istana Negara. The city once held the headquarters of the executive and judicial branches of the federal government, but these were relocated to Putrajaya in early 1999. However, some sections of the political bodies still remain in Kuala Lumpur. Our Kuala Lumpur Cultural City Tour will take you to some of the most popular and culture-rich spots in Kuala Lumpur. As this is a half-day tour, you will be able to see Batu Caves, Independence Square, the Sultan Abdul Samad building, and many more top spots in a limited amount of time. The day will start with a private pickup directly from your hotel from one of our friendly, English-speaking guides.
