GET TO KNOW OUR TEAM

Lawrence McLean

Founder / CEO of AAT Trip Host

A GUIDE TO
HELP YOU KNOW
ABOUT OUR
TEAM MEMBERS

Lawrence McLean developed the concept of AAT in 2012, as a result of the constant let down of friends backing out of travel plans, or simply not sharing his interest in traveling any further than the Caribbean. He started the group, African American Travelers of Philadelphia, followed by another chapter in New York, on meetup.com. Since then, he has led thousands from around the country, on the most epic, unforgettable, international tours. AAT's groups have perused six continents, including its, signature, annual NYE in Dubai experience, and taking travelers "Home for the Holidays" to Africa to Ghana, year after year. According to "Madame Noir" Lawrence has been recognized as one of the three US entrepreneurs who is changing the perception of travel to Africa.

Andrea McLean

Host Assistant

Andrea McLean is known for traveling with style. She has worked in customer service and sales for many years, mastering 60-second pitches since the spunky age of 6! She is focused on customer satisfaction, engagement, and bringing a smile to our travelers' faces. Some believe that she may have been a comedian in her past life. Whenever she is around, there is always laughter.

William McLean

Host Assistant

William Mclean is our newest addition to the team. William is currently in college majoring in business acquiring relevant skills that will not only enhance your traveling experience with African American Travelers but ensure that your experience is our top priority. William loves building connections and meeting new people, as our entire team is incredibly eager to present our customers with the opportunity to develop lifelong friendships and memories as that will last forever.

GARDEN BY THE BAY

Gardens by the Bay is a nature park spanning 101 hectares of reclaimed land in the Central Region of Singapore, adjacent to the Marina Reservoir. The park consists of three waterfront gardens: Bay South Garden, Bay East Garden and Bay Central Garden.

Conceptualized in 2005 as a key component of the government's "City in a Garden" vision, which evolved from Singapore's reputation as a Garden City.

Home to more than 250,000 plants, as well as pavilions, waterways, and the spectacular Super Trees, Gardens by the Bay is one of Singapore's most beautiful outdoor attractions, where you can stroll leisurely through various landscapes that represent diverse ecosystems. See one of the world's tallest indoor waterfalls in the Cloud Forest conservatory, and admire views of Marina Bay from the Flower Dome conservatory.

SINGAPORE DAY TOUR

You may not know that Little India once had a racecourse, cattle herders, and brick kilns. But while these places and people are gone, time stands still in pockets of this historic district. Olden-day trades sit next to newer businesses: flower-garland vendors, modern eateries, and boutique hotels, as well as arts groups.

Chinatown's maze of narrow roads includes Chinatown Food Street, with its restaurants serving traditional fare like Hainanese chicken rice, noodles, and satay. Souvenir shops and indie boutiques dot the area, offering clothes, crafts, and antiques, while Club Street is full of trendy wine bars.

Merlion Park is a famous Singapore landmark and a major tourist attraction, located near One Fullerton, Singapore, near the Central Business District. The Merlion is a mythical creature with a lion's head and the body of a fish that is widely used as a mascot and national personification of Singapore.

MALACCA TOUR

Malacca, in southwestern Malaysia. At its center, Jonker Street, Chinatown's main thoroughfare, is known for antique shops and its night market. Nearby, the 17th-century Chinese Cheng Hoon Teng temple has ornate decorations and multiple prayer halls. A green, 3-tiered rooftop, the 18th-century, Javanese-influenced Kampung Kling Mosque.

This privately guided, day tour will take you to the most famous spots in Malacca. All of your favorite pictures you see on your friend's newsfeed will now become your reality. From beginning to end, you will be able to have a fun, stress-free day, as this tour is all-inclusive to ensure you will have an unforgettable experience.

MARINI 57

Sophisticated rooftop whiskey bar, Italian restaurant & cigar lounge offering panoramic city views.

KUALA LUMPUR TOUR

Kuala Lumpur is the cultural, financial, and economic center of Malaysia. It is also home to the Parliament of Malaysia and the official residence of the Malaysian King, the Istana Negara. The city once held the headquarters of the executive and judicial branches of the federal government, but these were relocated to Putrajaya in early 1999. However, some sections of the political bodies still remain in Kuala Lumpur. Our Kuala Lumpur Cultural City Tour will take you to some of the most popular and culture-rich spots in Kuala Lumpur. As this is a half-day tour, you will be able to see Batu Caves, Independence Square, the Sultan Abdul Samad building, and many more top spots in a limited amount of time. The day will start with a private pickup directly from your hotel from one of our friendly, English-speaking guides.

SENTOSA ISLAND

Sentosa is an island resort off Singapore's southern coast, connected to the city by cable car. By Sentosa Station, Tiger Sky Tower has panoramic views that can stretch as far as Indonesia. On the south coast, Palawan Beach is lined with food stalls and bars, and has a suspension bridge to a small offshore island. You will also find a number of theme parks and attractions such as Madame Tussauds & Universal Studios.
